Subject. Re Consolidg. no 5441/02 of Dr. Lemon soliciting sanction for the employment of Ganja Dressers one on Rs 25+10 d another on Rs 20+10 with one peon on Rs 7/-.

Note. The Ganja required for consumption in the State formerly used to be imported from Br. India chiefly from Bombay Presidency but it was later on arranged to manufacture the drug locally & discontinue the practice of import. The cultivation & manufacture of Ganja require special practical knowledge & experience. Therefore sanction was accorded to the employment for a period of one year of 2 experienced mistries on a monthly salary of Rs 20/- each who were imported for the purpose from Palur Taluk of North Arcot Distt.

sl (42)

2. The services of these 2 surveyors were dispensed with from 4/3/1900.

3. On the recommendation of the Excise Comm. sanction was accorded to the entertainment of one Rama Rao, who was a temporary sub surveyor at Palem, N. Arcot Distt, & had retrenched in Ganja cultn, as Ganja ~~Sub~~ Inspector on Rs 20+10/ per month in order to select sites, explain the method of cultn to ryots & supervise the manufacture of the drug, as also a peon on Rs 7/- per month from 4/3/00 to the end of June 1901. (G.O. 531-2 Ex 7-2-97 dt 20/7/00. sl (60))

4. For the same purpose the services of an agrl surveyor also were placed at the disposal of the Ex. Comm (no. 501-Ex 7-2-97 dt 16/7/01 sl (73)).

5. On a further representation from the Excise Comm. the petition of the services of the Ganja surveyor & the peon for a further period of 2 years was sanctioned by Govt. in their Order no 1600-01-Ex 7-2-97 dt 27/7/01 (76). as a larger area had to be cultivated & larger quantity

of the drug manufactured the importation has not been discontinued from 01.04.02. The above sanction expired on 30/6/03.

6. Now in the letter under ref. the Ex. Comm. states that the single Agril Inspector was not able to bestow that attention which is necessary for the timely weeding of male plants & draining of low lands, & the result has been that in the crop now being harvested, there is an undesirable ~~delay~~ proportion of seed and that he has entertained 2 Inspectors one on Rs 25+10 & another on Rs 20+10 and a boy on Rs 7/- in order to supervise the harvesting & curing of this year's crop & to see to the proper selection & preparation of lands & the timely execution of all preliminary arrangements for next crop. from 20/12/03.

There is necessary provision for this in the current year's estimate.

8. Under Sec. 5 of the Ganja rules Govt. alone can sanction the issue of licence & necessary instructions.

The Excise Commissioner may therefore be requested to submit for orders with a draft.

Sir,

I have the honor to solicit sanction to the entertainment of 2 Ganja Inspectors, one on Rs 25 + 10, and the other on Rs 20 + 10, and a peon on Rs 7 +, as provided for in the current year's budget under the head "4 Excise" "18 c, Executive Staff-temporary."

2. Under the permission granted to the Ganja Contractors, Messrs.

× Secretary's memo No 519 Ex: 7-6-1901, dated 31st January 1902.

Messrs. Naigondadeva Modliar and Byjannah, 548½ acres of land are cultivated with ganja this year in more than 40 villages. These villages are situated in the Talugs of Bangalore, Hosakote and Anekal in the Bangalore District, and Mysore in the Mysore District. The crop has come to maturity and picking and curing have commenced. As the process of preparation of the drug was not properly known to the local cultivators, the services of two experienced men have been secured from the Jawadi Hills in His Majesty's Territories at

at the cost of the Contractors and they visit the places of ganja cultivation and explain to the people the mode of curing &c.

3. The services of the special Ganja Inspector, sanctioned in Government Proceedings No. 1600-1 Ex: H. 2-97, dated 27th July 1901, having had to be dispensed with from 1st July 1903, the single Agricultural Inspector was not able to bestow that attention which is necessary for the timely weeding of male plants and draining of low lands, and the result has been that in the crop now being harvested, there is an undesirable proportion

proportion of seed. To supervise the harvesting and curing of this year's crop and to see to the proper selection and proper preparation of lands and the timely execution of all preliminary arrangements for next crop, I have entertained the temporary Establishment provided in the Budget from the 20th Instant and posted one Inspector to the Mysore District and the other to the Bangalore District.

4. Under section 5 of the Rules relating to the cultivation of ganja, &c, (Notification No. 536 Ex. H. 6-1901, dated 3rd June 1902), the watch of the progress of the

the crop and the duty of explain-

Department.
